Intelligence is getting exciting.

Automotive intelligence is now getting exciting and dynamic: the E-Class have undergone a comprehensive update as the first representatives of this model series. The E-Class is the best-selling model series in the history of Mercedes-Benz. It is perceived by many as the “heart of the brand”.

With its clean yet emotionally appealing design and an exclusive, high-quality interior. The wealth of innovations such as in the area of the driving assistance systems also was characteristic. This emotionally appealing and at the same time intelligent combination is extremely successful.
